SECRETS OF UNDERGROUND ROME

Port: Rome (Civitavecchia), Italy

Tour Code: CIV_47

Today's Rome was built on top of layers of the ancient city, and you'll find centuries of history buried under its magnificent buildings. Underneath the bustling Eternal City, a silent one waits for your discovery. A stroll on the Appian Way takes you to Domitilla Catacombs. Led underground by your guide, discover Christian wall paintings and see a 4th-century church. Visit the Basilica of San Clemente, a one-of-a-kind church, comprised of three buildings built on top of the other. You'll start at the lowest level and end at the top. Deep beneath the modern city, emerge the shadowy images of Corinthian columns, Roman bas-reliefs, and the fragments of large granite pots. Admire magnificent Renaissance and 11th-century frescoes and pose for pictures under an eye-catching mosaic.

After the dark mysteries of San Clemente's lower levels, you emerge inside the splendid Basilica. You'll be awed by the brilliant gold and jewel like colors of its apsidal mosaics. Enjoy a photo opportunity outside the Colosseum and free time for lunch on your own. There are many restaurants in Via di San Giovanni to choose from. Stop at the Church of Santa Maria della Concezione to visit the Capuchin Crypts. In the crypt's museum you'll admire an incredible painting attributed to Caravaggio as well as relics of Italy's patron saint. Then, head into the jaw-dropping crypts decorated entirely by human bones. The mesmerizing display was created by the Capuchin monks using the remains of their departed brothers. Although some might find it macabre, it is just a silent reminder of our own mortality and swift passage of life on earth.

Note: As your tour visits religious sites, please dress appropriately. No bare shoulders or shorts are allowed. Your guide will join you in Rome; however, you'll have an escort with you throughout the day. PICTURESQUE TOWNS & COUNTRYSIDE

Port: Rome (Civitavecchia), Italy

Tour Code: CIV_48

Escape to the countryside and explore Tuscania and Civita di Bagnoregio, two uniquely different villages off the beaten path. Each surrounded by beautiful countryside and in many ways, untouched by the hands of time. Enjoy them before they succumb to the modern world and are discovered by others. Tuscania, not to be confused with Tuscany, was a powerful Etruscan town. It has well preserved walls and two magnificent churches outside town – St. Peter's and Santa Maria Maggiore. Experience the ambiance of this town during a stroll through the city's narrow streets, passing by St. Giacomo's Fountain near the Cathedral and the Lavello Tower. Walk through the Lavello Gardens to reach the 'belvedere' from where you can enjoy a magnificent view of St. Peter's Church and the city walls.

Civita di Bagnoregio is actually two remote villages – the saddle that once connected Civita to Bagnoregio, eroded away and the only access to Civita is a long foot bridge which gets steeper as it rises. It's a challenging climb for anyone that's not in particularly good shape. Civita is perched on top of a hill among the valleys formed by the Chiaro and Torbido streams. It clings to the edge of a cliff at the mercy of wind and erosion. It's a charming medieval city, almost untouched by the Renaissance. Follow your guide through the narrow streets of this picture perfect village and learn about it. You'll have ample free time for lunch on your own and to explore the hidden corners of this little gem on your own. It will delight your eyes and your camera!

Note: Tour consists of an extensive amount of walking and an inclining bridge to negotiate. We recommend comfortable walking shoes. Offered on all Norwegian Spirit sailings and on Norwegian Epic round-trip Barcelona sailings only.

You'll drive past the Roman Forum, Piazza Venezia, Marcello Theatre, and Circo Massimo to the Trevi Fountain - one of Rome's most spectacular fountains. The high Baroque Fontana di Trevi was designed by Nicola Salvi in 1732. Legend has it that you can ensure your return to Rome by tossing a coin in the fountain. You'll have some free time for lunch before rejoining your coach to head towards St. Peter's Square. Here you'll visit the Basilica, which can hold up to 300,000 people. After your visit, you'll be transferred to your Norwegian Cruise Line program hotel or the airport for your departure.

Note: Guests who are planning to visit religious sites during free time or on tour, please dress appropriately. No bare shoulders or shorts are allowed. This tour is only available for guests with flights after 6:00 pm. This tour is offered on all round-trip Civitavecchia sailings only.
